Dear Corporate Partner,

Please consider this letter the official Society of Interventional Radiology (SIR) request for an educational grant in the amount of \$15,000.00 to support the new 2012 **Partners in IR Training** program. The **Partners** program combines support for the Resident-in-training (RIT) Scholarship Program and the Fellows Spring Practicum, and is a way for our corporate partners to demonstrate continued commitment and dedication to the growth of the specialty.

The RIT Scholarship program brings approximately 60 residents to the Annual Scientific Meeting. It is solely funded by our corporate partners, and helps solidify the decision to continue in IR training for the scholarship winners. In addition to their dedicated educational pathway, RIT Scholars are given a tour of the exhibit hall, stopping for visits at the booths of the corporate scholarship supporters. There is also an educational RIT dinner symposium during the annual meeting, to which corporate supporters are invited to attend.

The Fellows Spring Practicum is also an industry and society supported event, and the top faculty in IR provides critical IR programming, with lecture, case study, and hands-on interaction for approximately 50 IR fellows as they near completion of their fellowship year.

Benefits of Corporate Support of the **Partners** program:

- Recognition on materials sent to all scholarship winner, fellows in IR, as well as program directors
- Invitation for 2 to the RIT Scholarship Dinner at the SIR Annual Scientific Meeting
- SIR “thank you” advertising in *JVIR* and *IR NEWS*
- Prominent recognition during each program via signage and slides
- Supporter name badge ribbons
- Discounted exhibit space at the Fellows Practicum
- Exhibitors at the Fellows Practicum will be recognized via slides and signage on-site

SIR is a national organization of physicians, scientists and allied health professionals dedicated to improving public health through disease management and minimally invasive, image-guided therapeutic interventions.

As always, we thank you for your consideration. I look forward to our continued communication.

Respectfully Submitted,

Beth H. Allgaier

Terms, Conditions and Purposes

Independence

1. This activity is for scientific and educational purposes only and will not promote any specific proprietary business interest of the Commercial Interest.
2. The Accredited Provider is responsible for all decisions regarding the identification of educational needs, determination of educational objectives, selection and presentation of content, selection of all persons and organizations that will be in a position to control the content of the CME, selection of education methods, and the evaluation of the activity.

Appropriate Use of Commercial Support

3. The Accredited Provider will make all decisions regarding the disposition and disbursement of the funds from the Commercial Interest.
4. The Commercial Interest will not require the Accredited Provider to accept advice or services concerning teachers, authors, or participants or other education matters, including content, as conditions of receiving this grant.
5. All commercial support associated with this activity will be given with the full knowledge and approval of the Accredited Provider. No other payments shall be given to the director of the activity, planning committee members, teachers or authors, joint sponsor, or any others involved with the supported activity.
6. The Accredited Provider will upon request, furnish the Commercial Interest documentation detailing the receipt and expenditure of the commercial support.

Commercial Promotion

7. Product-promotion material or product-specific advertisement of any type is prohibited in or during the CME activity. The juxtaposition of editorial and advertising material on the same products or subjects is not allowed. Live or enduring promotional activities must be kept separate from the CME activity. Promotional materials cannot be displayed or distributed in the

¹ The ACCME defines a Commercial Interest as any proprietary entity producing health care goods or services, consumed by, or used on, patients, with the exemption of non-profit or government organizations and non-health care related companies. The ACCME does not consider providers of clinical service directly to patients to be commercial interest.

education space immediately before, during or after a CME activity. Commercial Interests may not engage in sales or promotional activities while in the space or place of the CME activity.

8. The Commercial Interest may not be the agent providing the CME activity to the learners.

Disclosure

9. The Accredited Provider will ensure that the source of support from the Commercial Interest, either direct or "in-kind," is disclosed to the participants, in program brochures, syllabi, and other program materials, and at the time of the activity. This disclosure will not include the use of a trade name or a product-group message. The acknowledgment of commercial support may state the name, mission, and clinical involvement of the company or institution and may include corporate logos and slogans, if they are not product promotional in nature.

The Commercial Supporter and the Society of Interventional Radiology agree to abide by all requirements of the **ACCME Standards for Commercial SupportSM** (appended).
