Coding and reimbursement

[SIR LCA A59099 & A59048 comment letter](#) On July 6, 2022, The Society of Interventional Radiology formally submitted a letter urging Noridian not to publish the local coverage articles(LCA) for pulmonary thromboembolism A59099 & A59048. Due to stakeholder feedback, these LCAs were retired.

SIR's coding resources

[2022 coding update on-demand](#) This webinar provides documentation tips to protect your IR practice from audits.

[2022 IR common missed coding revenue](#) This resource includes six critical areas of common missed coding revenue opportunities in IR.

Carrier advocacy coverage letters (SIR member-only)

SIR's carrier advocacy workgroup developed evidence-based coverage letters to help our members overturn carrier policy, denied authorizations, and denied claims. [Log in to download the letters](#)

RVS Update Committee (RUC)

Thank you to all our members who participated in our RUC survey for the Sept. meeting. The recommendations approved at the September RUC meeting will be relayed to the Centers for Medicare and Medicaid for final appraisal and execution in the 2024 Medicare Physician Fee Schedule.

CPT® Editorial Panel

Preparations for the Sept. AMA CPT® Editorial Panel meeting are in full effect. A [summary of panel actions](#) can be found on the AMA's website.

Coding application and guidance (SIR member-only)

Have a coding question? [Click here](#) to submit your question to our coding team.
