[Interventional radiology market is projected to reach USD 39.34 billion by 2030](#)

The Society of Interventional Radiology is excited to offer the SIR Revenue Cycle Management course. It will educate Interventional Radiologists and their business administrators on coding, billing updates, and best revenue cycle practices to support fiscally sound performance improvements. This CME and RCCB CEU accredited course is designed to help IRs improve front, middle, and back-end revenue cycle processes, as demonstrated by improved clinical documentation, code assignment, and associated charge capture. Additionally, the course will cover the CPT® and RUC process on

how a CPT® code is made and valued within the AMA® process. You do not want to miss this. [Click here](#) to register at early bird prices today.

## SIR MPFS Town Hall December 8th from 8–9 p.m. ET

Join SIRs Health Policy and Economics leaders on December 8th for a special town hall to discuss the effects that the 2023 Medicare Physician Fee Schedule (MPFS) will pose to interventional radiologists next year. Please submit your questions to [economics@sirweb.org](mailto:economics@sirweb.org) before December 8th. Register in advance for this webinar: [click here](#)

## SIR's coding resources

Starting in 2023, all SIR coding resources will be in the IR Business Center. So now is the time to [learn more](#) and [create your account](#) in the e-commerce business center that supports IR physicians.

## Carrier advocacy coverage letters (Free for SIR members)

SIR's carrier advocacy workgroup has developed evidence-based coverage letters to help our members overturn carrier policy, denied authorizations, and denied claims. Visit the [IR Business Center](#) to download your copy today.

## CPT® Editorial Panel and RVS Update Committee (RUC)

SIR will attend the AMA CPT® Editorial Panel in Feb. 2023 and plans to lead one code change application. The RVS Update Committee (RUC) meeting in Jan. 2023, where our RUC team will attend in person to present a recently surveyed procedure. Thank you to all our members who participated in the survey.

## Coding application and guidance (SIR member-only)

Are you aware of the changes coming for Evaluation and Management (E/M) services in 2023? SIR provides a summary of revisions to the E/M code descriptors and guidelines. [Log in to review the 2023 E/M summary.](#)

Have a coding question? [Click here](#) to submit your question to our coding team.
