The Society of Interventional Radiology (SIR) strives to provide interventional radiology professionals worldwide with access to SIR resources and to connect IRs across the globe. The SIR International Group Affiliate Program is designed to allow groups of international interventional radiologists to develop an enduring partnership with SIR that supports minimally invasive patient care worldwide and to formalize an affiliation with SIR that provides members of these groups with access to SIR resources. International Group Affiliates will receive access to a select number of valuable SIR benefits:

• Full access to SIRcloud,™ an online library that offers a comprehensive collection of files relating to interventional radiology topics
• Online access to IR Quarterly (IRQ), a magazine offering updates, stories, interviews and in-depth analysis
• Member pricing on all products in the IR Store, including all online education
• Discounted registration fees for all SIR meetings, including the Annual Scientific Meeting
• Official society recognition
• A dedicated society community and SIR membership directory access on SIR Connect, SIR’s secure online discussion forum
• Complimentary booth at the SIR Annual Meeting
• Certificates of recognition for affiliates
• Ribbon at Annual Meeting and leadership photo opportunity

For more information on the program, eligibility requirements and fees, contact Erica Holland, SIR assistant executive director at eholland@sirweb.org.

*Current SIR members are not eligible for this program intended for interventional radiologists who reside and practice outside of the United States and Canada. The program will require renewal on an annual basis. Online access to the Journal of Vascular and Interventional Radiology (JVIR) may be included for an additional fee.
