Position Description for:
Director-at-Large

Role and Qualifications as Defined by the SIR Bylaws and SIR Board of Directors

SIR Directors-at-Large are voting members of the SIR Board of Directors. The Board of Directors is the chief governing and policy-making body of SIR. The Board is empowered to carry out the business of the Society and is responsible for fiduciary oversight. It is responsible for overseeing and transacting the business necessary to achieve SIR’s goals and to fulfill its mission. The position of Director-at-Large is an appointed position.

Qualifications
- Shall have been an active member or fellow in good standing for at least three years
- Shall have shown commitment to the Society by active service on an SIR committee or task force as a member or chair for a minimum of three years
- Shall be actively practicing interventional radiology or have practiced a minimum of 10 years

Specific Duties of the Position
- Manages special projects as requested by the Executive Committee or Board of Directors.
- Represents SIR at meetings as requested by the Executive Committee or Board of Directors.
- Provides liaison to divisions and committees as requested.

Election and Term in Office

The term of a Director-at-Large is two years. Board terms begin at the adjournment of the Annual Members’ Business Meeting.

Time Commitment

The Director-at-Large is expected to devote the necessary time for Society business during their term. The Director-at-Large is expected to attend three in-person Board of Directors meetings a year, the Annual Members’ Business Meeting and other meetings and conference calls as necessary.

Compensation/Reimbursement

The Director-at-Large receives no compensation for serving. Travel expenses for approved SIR travel are reimbursed per the SIR Travel Policy.

Responsibilities of All Board of Directors Members
- Serve as strategic leader who understands the SIR mission, vision, and can link the activities with the strategic goals.
- Serve as the primary contact for Society and Foundation inquiries relating to their division or area expertise.
- Be willing and able to devote the necessary time throughout the entire appointed term of service for Society business.
• Possess the highest ethical standards and be recognized and respected by peers as a leader in interventional radiology.
• Be free of any significant conflict of interest that would prevent him/her from serving objectively and disclose all conflicts in advance.
• Have an email address and web access so committee business can be conducted virtually.
• Possess the highest ethical standards and be recognized and respected by peers as a leader in interventional radiology.
• Adhere to the SIR’s Conflict of Interest, Ethics, Fiduciary, and Antitrust Policies.
