## Kinked wire spotlight

Enhancing your practice with APPs, audio abstracts and more

In this new episode, host Warren Krackov, MD, FSIR speaks with NP and PA Section Chair, Carrie Hayes, MS, PA and Membership Committee Chair, Nicholas Oravetz, PA, about how APPs can help IRs meet the needs of patients, paths to becoming a PA or NP in IR and more.

# NP and PA Onboarding toolkit

Jennifer Baker, NP

Chair, NP and PA Clinical Practice Committee

## Onboarding toolkit coming soon!

The Clinical Practice Committee recognized many APPs have no exposure to the IR practice, making the transition challenging. In response, the committee identified the need to develop a peer reviewed resource with clinical, procedural and fundamental topics to support APPs.

Over the past few years, the committee has accomplished creating an onboarding toolkit comprised of 14 clinical and procedural topics. Once the rigorous review process is completed, the toolkit will be available to SIR members on the NP and PA Section website.

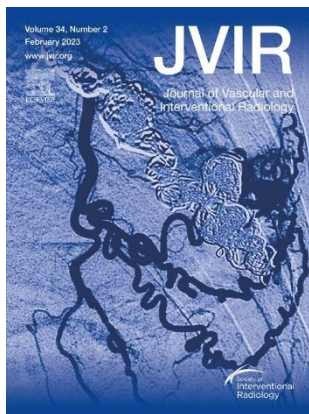

## Meetings, CME, education and membership benefits
