

Residency EssentialsSM

Comprehensive curriculum for your IR residency

How to Cite

Please use the below example on how to cite your contribution:

Module Developers / Invited lecturer*:

[Name]. “[Module Title].” SIR Residency Essentials. Society of Interventional Radiology. [publication year]. sirweb.org/essentials.

Example:

Patel P. “PAD 1 (assessment and clinical principles).” SIR Residency Essentials. Society of Interventional Radiology. 2020. sirweb.org/essentials.

Module developer – interventional radiology physician or physician-in-training who is a member of SIR and assisted in the development, review or editing of a module, or modules, in the Residency Essentials program.

Invited lecturer – an invited expert on the topic to provide a lecture for inclusion in the SIR Residency Essentials, Fundamentals section.
